LIST OF ABBREVIATIONS USED INCLUDED AT APPENDIX B

PRESENT: Cllrs R Abbott, D Hawes, J Lee, G Mark, S Page (Chair), B Plumbly and B Stennett.

Also in attendance: S Keys (Clerk), 7 members of the public.

01. WELCOME AND OPENING STATEMENT

Cllr Page declared the meeting open at 7.30pm and thanked all for attending. A statement was read out indicating that, in accordance with legislation, the public and councillors were permitted to film, record, photograph or use social media in order to report on the proceedings of the meeting. A full transcript is on the Council's website.

02. ADDRESS FROM THE CHAIR OF THE MEETING

Cllr Page read out the following statement: "At the last Parish Council meeting at which I was the Chair, during the debate on a grant application from Tattingstone Events I failed to respond appropriately to comments made by Councillor Stennett which were of a personal nature towards Cllr Hawes. I should have acted at that point as such comments are not acceptable but I didn't and I must formally apologise to Councillor Hawes and other Councillors for not conducting the meeting in accordance with the standards we have all agreed to. I will endeavour to do my utmost to ensure any future debates I am Chairing will be managed correctly."

Cllr Stennett apologised for his comments and informed the meeting that they were not intended to cause offence.

03. APOLOGIES FOR ABSENCE

- a) Council to receive apologies for absence – The Council noted the apologies received from Parish Cllrs Clarke and Mendel, County Councillor Harley and District Councillor Potter.
- b) Council agreed to approve the apologies submitted – **The Council unanimously approved the apologies as noted.**

- b) To receive notification of gifts of hospitality exceeding £50 – there were none received.
- c) To receive requests for dispensations – Cllrs Stennett and Abbott requested a dispensation for agenda item 10G. **The Chair proposed that the Councillors should be allowed to discuss the request but not allowed to vote during this item, aif.**

05. MINUTES

- a) To approve the minutes of the meeting on 05 February 2024 – following discussion **Council approved the proposal that the following statement should be added to the minutes in Section 3C "Cllr Page proposed that Cllrs Hawes and Lee be allowed to speak during agenda item 9g, but would not participate in the vote, aif (Cllrs Hawes and Lee abstained from the vote)", aif.** Following this amendment the minutes were approved as an accurate record and signed by the Chair of the meeting.
- b) To consider/approve proposal for changes to the process for distributing draft minutes from Cllr Stennett – Cllr Stennett proposed that Draft minutes should be circulated to Parish Councillors at least 48 hours prior to publication on the website. The Clerk pointed out that the minutes are circulated with the agenda as per the Tattingstone Standing Orders. Cllr Stennett's proposal was seconded by Cllr Abbott. 2 Councillors voted in favour of the proposal, 3 Councillors voted against the proposal, 2 Councillors abstained from the vote. The motion was therefore not carried.
Cllr Lee proposed that draft minutes should include a 'Draft' watermark until they have been approved by the Council, this was seconded by Cllr Page, aif.

06. CLERK'S REPORT

- a) To review actions from the previous meeting, the Clerk gave the following updates:
- Put sticker on dog bin about responsible use of the bin – completed
 - Review the process for renaming a road – completed and circulated to Councillors. The Chair informed the Council that he had discussed the possible road name change with other residents in the area. One resident had not been in favour of the change and one resident had not been concerned. Since there was not a consensus amongst the residents in this location it was agreed not to pursue this further. The Clerk to email the resident with this update (*ACTION – Clerk*)
 - Create and install new Play area sign at Back Gate – a sign had been created and installed, however, this had been placed in the wrong location and had since been broken. Following discussion **Cllr Abbott proposed that two new signs should be purchased using TPC CIL funds for installation at the front and back entrances of the Playing Field, aif.** (*ACTION – Clerk*)
 - Invite Ian Poole to the next Parish Council meeting – Clerk confirmed that a meeting between Ian Poole and the PC had been arranged and taken place
 - Purchase four replacement benches – three benches purchased and installed as per information received from Cllr Stennett. Cllr Stennett confirmed that he would clean the bench by the Wheatsheaf.

APPENDIX C

Council Budget for 2024-25

At Council on 15 February, Suffolk councillors met to discuss and vote on the administration's budget proposals. The council is borrowing heavily from its reserves to meet the growing demand for social care for adults and children, and council tax is due to rise by £74 annually for Band D properties from April this year. There will also be cuts to Family Hubs (children's centres) and Housing Related Support, which supports vulnerable people like care leavers to find accommodation. Funding for arts and museums will be maintained for 2024-25 but not from SCC core funding, and subject to a bidding process for grants from April 2025. The Bury St Edmunds local archives will be moved to The Hold in Ipswich, which like the arts funding cuts has been controversial locally.

My group were concerned about the lack of core funding from Suffolk County Council to arts and museums, as this is how they secure funding from other sources, and we proposed an amendment to this effect. We also suggested that some of the council's remaining Covid funding from the government be used to support young people not in education, employment or training, as this cohort had suffered a lot of upheaval in their final years of schooling and exams. Support for young people not in education, employment and training is one of the services that is due to be cut in the administration's budget plans. Our amendment was declined by the Conservatives, as was the Labour amendment which also proposed to reverse some of the planned cuts.

Ofsted/CQC SEND Inspection Report

As you may have read in the local press, Ofsted and CQC published their joint report into SEND services in Suffolk at the beginning of the month. The report was scathing about the county's SEND provision and detailed the failures of the council to communicate and work with parents and carers, improve the EHCP and annual review processes and waiting times, improve outcomes and reduce exclusions. My group was disappointed and concerned that the services are yet to get to grips with improving a service that has now received a third poor inspection result in a row and we offered our assistance to the Local Area Partnership (Suffolk County Council and NHS teams) in preparing the Priority Action Plan they now need to submit to Ofsted and CQC by 7 March.

The poor report led to the resignation of the Cabinet members for SEND, Education and Children's Services and prompted a reshuffle of the political leadership at the council. This report will be devastating for parents of children with special needs in Suffolk, and the council will need to work hard to make improvements quickly and build back trust.

Suffolk Devolution in Sight

Devolution is something there has been a lot of talk about in Suffolk in recent years, and it looks like it may be happening from 2025. The deal the government is offering Suffolk is the same as the one for Norfolk and would give the county more freedom on decisions and funding for transport, skills and adult education, regenerating brownfield sites and retrofitting homes to make them more energy-efficient. If the deal is approved, the leader of Suffolk County Council would be directly elected by the people of Suffolk - every four years, residents will be given two votes, to elect their local county councillor AND the leader of the county council. The first election would take place in May 2025. The council will be consulting on the deal soon and residents will be able to give their opinions on the changes proposed. For more information, see <https://www.suffolk.gov.uk/council-and-democracy/devolution>

Devolution Deal is out for Public Consultation from 18th March for 10 weeks - take part!

Changes to Local Archives

Following the recent controversial proposal in the county council's budget to move local records from Bury St Edmunds to The Hold in Ipswich, the council have announced that that they will be inviting community representatives from both Lowestoft and Bury St Edmund's to form two new Working Parties to consider local access to historical material. This could allow relevant collections to remain in the local area, but any proposals would need to be funded locally rather than by Suffolk County Council. This is not a reversal of the council's decision, and the majority of the records are still planned to move to The Hold, with the North-East and West Suffolk branches of the archive service to close.

Money available for local Highways Signs!

A small pot of money has been made available to County Councillors to help the repair and replacement of damaged/lost signs on the Highway. This applies to all official Highways signs, I believe. The funds have to be committed by December 2024 so if you are away of any signs you want repaired please report this on the Highways reporting tool then email me the reference and I will try to get them done more speedily.

APPENDIX D

Report from District Councillor Daniel Potter – March 2024

At the last full council meeting on 20th February, the council after discussion and debate voted to pass the Annual Budget and the Housing Revenue Account as the main focus of its agenda.

Regrettably there will be increases on rents to social tenants and council tax rises particularly in Band D properties but facing extreme financial pressures put on core services at Babergh and what the council can provide in improving council housing stock which is falling behind in too many incomplete areas such as repairs and stock condition surveys which after the HRA latest report was drafted aims to ramp up these surveys and attend to long outstanding repairs still logged in the system.

Intense scrutiny in council during such challenging times was needed in order to take a serious look at the way the budget needs to ensure future funding when the serving those people in severe difficulties.

Councils up and down the country are facing financial pressures upon their budgets and Babergh is no exception to the national pressures which exist, difficult decisions lie ahead.

Car parking charges are currently in the sphere of consideration in respect to budgets, but no overriding decision has been made to begin charging Babergh customers tariffs for short stay car parking and there was no inclusion of them in this year's budget. Council did vote in favour note the weight of signatures brought forward by a parking petition conducted by Lavenham Cllr Paul Clover which argues to retain free short stay parking in respect to how it would help local shops and businesses in Babergh's larger market towns and a consultation is being conducted in person for local parishes or town councils who will operate the car parks in Babergh and a written prepared survey for Parishes to complete online by March 5th.

As Portfolio Holder for Environment I will present in front of Cabinet the Carbon Reduction Management Plan to be formally adopted as Babergh's strategy to reduce it's carbon emissions to net zero by 2030. All areas of the council main activities will incorporate the CRMP from leisure and tourism, planning, cycling, walking and transport to housing. It is a huge undertaking but with the funding strategy equipped to implement this plan the ambitious target of meeting net zero in the next 6 years can be achieved.

Finally I have met with officers recently in regard to the Pin Mill Houseboats on the Hard area in terms of a legal statutory plan Babergh DC is implementing in 2-3 months so all moored Houseboats are subject to the same conditions of responsibilities for their tender on the hard. Sign posting will start to be seen very soon in the area in the coming weeks to inform residents of the Houseboats of these statutory changes, it has taken some time to prepare but it was recognised by Babergh that although the river isn't in their area of responsibility they do own the land surrounding the Hard and a proposed workable solution needed to be found to the benefit of all.
